

# *Sonoma County Fire Code College*

Sponsored by:

**Sonoma County Fire Prevention Officer's, in cooperation with  
The Redwood Empire Association of Code Officials (REACO)**

**PRESENTS:**

## **Residential Sprinkler Systems (13R) Plan Review & Inspections for Code Compliance**

**Dates & Times:** Wednesday, February 16, 2011 @ 1800 hours

**Agenda:** 1800 hours Dinner served  
1830 hours Round table & discussion  
1900 hours Class to 2100 hours sharp

**Cost:** \$10.00 per student OR members (includes dinner & class)  
\$25 for non-members

**Location:** Sonoma County Fire & Emergency Services Department  
2300 County Center Drive, Bldg A, Suite 212, Santa Rosa, CA 95401

**RSVP:** Please RSVP by email to Hans Henneberque if you will be attending no later than 1200 hours on Tuesday, February 15, 2011 to have a fairly accurate head count for food. Drop-ins are welcome.

**Class overview:** Tonight's training will teach individuals how to conduct a plan review and acceptance inspection for residential sprinklers. The class will answer those questions that new plan reviewers and building officials will have for compliance with new 2010 state regulations for residential sprinklers

**INSTRUCTOR:** Steve Mosiurchak, Fire Inspector

**Instructor qualifications:** Steve has been a Fire Inspector for Sonoma County Fire & Emergency Services for approximately ten years. Has prior experience as police officer and has worked as a sprinkler fitter for many years. Steve is currently conducting all fire plan checks for the County's jurisdiction and has an intimate knowledge of residential sprinkler systems
