**Education Committee Report**

**Overview of 2016 California Residential Code**

We have partnered with North Coast Builder's Exchange and the AIA Redwood Empire Chapter to present an all-day seminar at the NCBE on **April 18<sup>th</sup>**.

**Carolyn Glayton** the **BayRen** representative for Sonoma County [and Lauren Casey of RCPA](#) will be organizing ICC credited energy code training classes in our region. They plan to have a class in April in Cloverdale and a class in May in either San Raphael or Novato.

**Eric Seabrook** is working with the **Napa/Solano ICC** chapter on cosponsoring an ICC Chapter benefit class later this year. We would be able to combine both chapters' benefits to reduce the cost of the class to the chapters. Date to be determined
